About the Company

Big Five Investments Limited is a Zambian-owned company specializing in infrastructure development, construction, energy solutions, and supply services. Since its establishment in 2008, the company has built a strong reputation for delivering high-quality projects for both public and private sector clients across Zambia.

Our experience spans power transmission and distribution, road and civil works, building construction, renewable energy systems, and industrial supply contracts. We have successfully executed projects for key national institutions including ZESCO Limited, Rural Electrification Authority (REA), TAZAMA Pipelines Limited, Ministry of Local Government, and various Provincial Administrations.

Big Five Investments Limited operates in full compliance with national regulations and is duly registered with PACRA, ZRA, ZPPA, NCC, and CEEC. Our commitment to quality, safety, and timely delivery is supported by skilled technical teams, strong project management systems, and adherence to industry best practices.

Driven by integrity, professionalism, and innovation, Big Five Investments Limited is dedicated to supporting Zambia's infrastructure growth and contributing to sustainable national development.

How We Work

Consultation and Planning

- **Initial Consultation** - To understand clients needs
- **Collaborative Solution Design** - To create a client centered design
- **Comprehensive Planning** - To ensure all resources are available
- **Core Project Principles** - To ensure all projects are designed for efficiency, sustainability, and compliance

Execution and Supply

- **Specialized Team:** Skilled engineers, project managers, and logistics experts lead the execution once plans are finalized.
- **Infrastructure Focus:** Manage end-to-end construction, installation, and commissioning, prioritizing quality, safety, and timelines.
- **Trade & Supply Focus:** Leverage an extensive network of trusted suppliers to procure, deliver, and install materials and equipment.
- **Industry Coverage:** Serve key sectors including mining, construction, energy, and safety.
- **Supply Chain Goals:** Ensure timely availability and cost-effectiveness of materials and equipment.

Handover and Ongoing Support

- **Partnership Philosophy:** We believe in building lasting relationships that extend beyond project completion.
- **Delivery & Handover:** Conduct thorough inspections, testing, and necessary client training after delivery.
- **Comprehensive After-Sales Support:** Provide ongoing maintenance, technical assistance, and supply chain continuity.
- **Long-Term Focus:** Ensure long-term project performance and client satisfaction.
- **Core Commitments:** Uphold the highest standards of integrity, innovation, and value.
- **Broader Mission:** We build trust and fosters growth for both clients and communities.
